

Health Service Medical Supplies (Costs) Bill

AMENDMENTS
TO BE MOVED
IN GRAND COMMITTEE

Clause 1

LORD HUNT OF KINGS HEATH

Page 1, line 14, at end insert—

“() After subsection (1) insert —

“() In exercising functions in relation to the controls on the cost of health service medicines established under this section, the Secretary of State must ensure that any payments made by manufacturers or suppliers to whom the scheme relates which fall under subsection (1)(b) are utilised solely for the purpose of reimbursing the National Health Service for expenditure on medicines and medical supplies.””

Clause 3

LORD HUNT OF KINGS HEATH

Page 2, line 27, at end insert—

“() After subsection (1) insert—

“() In exercising functions in relation to the controls on the cost of health service medicines established under this section, the Secretary of State must ensure that any payments made by manufacturers or suppliers to whom the scheme relates which fall under subsection (1)(b) are utilised solely for the purpose of reimbursing the National Health Service for expenditure on medicines and medical supplies.””

Clause 5

LORD HUNT OF KINGS HEATH
BARONESS WALMSLEY
LORD WARNER

The above-named Lords give notice of their intention to oppose the Question that Clause 5 stand part of the Bill.

After Clause 5

LORD HUNT OF KINGS HEATH

Insert the following new Clause—

“Review of impact of sections 1 to 3 on pricing, research and development and innovation

- (1) Within six months of the coming into force of this Act, the Secretary of State shall commission a review on the impact of the Act on—
 - (a) the pricing and availability of medicines and other medical supplies,
 - (b) research and development, and
 - (c) the NHS's legal duty to promote innovation.
- (2) The Secretary of State shall lay a report of the review before each House of Parliament.”
