- (6) Before making a youth rehabilitation order containing a place of residence requirement, the court must consider the home surroundings of the offender. 5
- (7) A court may not specify a hostel or other institution as the place where an offender must reside for the purposes of a place of residence requirement except on the recommendation of – 10

- the fostering requirement is, until the determination of the application, to be taken to require the offender to reside in accommodation provided by or on behalf of a local authority.
- (6) This paragraph does not affect the power of a local authority to place with a local authority foster parent an offender in respect of whom a local authority residence requirement is imposed.
- (7) A court may not include a fostering requirement in a youth rehabilitation order unless the court has been notified by the Secretary of State that arrangements for implementing such a requirement are available in the area of the local authority which is to place the offender with a local authority foster parent.
