Make provision for the creation of an employers' liability insurance bureau comprising an electronic database and a fund of last resort; to make provision about employers' liability insurance; and for connected purposes.

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1 The scheme manager

- (1) The Secretary of State shall establish an employers' liability insurance bureau (ELIB) ("the scheme manager") as a company limited by guarantee to exercise the functions conferred on the scheme manager by or under this Act.
- (2) The Secretary of State must take such steps as are necessary to ensure that the scheme manager is, at all times, capable of exercising those functions. 5
- (3) The constitution of the scheme manager must provide for it to have—
 - (a) a chairman; and
 - (b) a board (which must include the chairman) whose members are the scheme manager's directors.
- (4) The chairman and other members of the board must be persons appointed, and liable to removal from office, by the scheme manager (acting, in the case of the chairman, with the approval of the Secretary of State).
- (5) But the terms of their appointment (and in particular those governing removal from office) must be such as to secure their independence from the scheme manager in the operation of the compensation scheme. 10 15

2 The compensation scheme

- (1) The Secretary of State must by regulation establish a scheme for compensating persons in cases where personal injury or disease has been caused in the course of employment by—
 - (a) an employer which has since become insolvent, where—
 - (i) it had no employers' liability insurance, or

- (ii) the insurer of that employer cannot be traced;
- or
- (b) any employer who was not insured in accordance with the Employer's Liability (Compulsory Insurance) Act 1969 (c. 57).
- (2) The rules are to be known as the Employers' Liability Compensation Scheme (but are referred to in this Act as "the compensation scheme"). 5
- (3) The compensation scheme must, in particular, provide for the scheme manager—
- (a) to assess and pay full common law compensation, in accordance with the scheme, to claimants in respect of claims made in connection with employers' liability for injury or disease caused in the course of employment; and 10
- (b) *to have power to impose levies on insurers writing employers' liability insurance, for the purpose of meeting its expenses (including in particular expenses incurred, or expected to be incurred, in paying compensation, borrowing or insuring risks).* 15
- (4) *The compensation scheme may provide for the scheme manager to have power to impose levies on authorised persons, or any class of authorised person, for the purpose of recovering the cost (whenever incurred) of establishing the scheme.*
- (5) In making any provision of the scheme by virtue of subsection (3)(b), the Authority must take account of the desirability of ensuring that the amount of the levies imposed on a particular class of employers' liability insurance reflects, so far as practicable, the amount of the claims made, or likely to be made, in respect of that insurer. 20
- (6) An amount payable to the scheme manager as a result of any provision of the scheme made by virtue of subsection (3)(b) or (4) may be recovered as a debt due to the scheme manager. 25
- (7) "Full common law compensation" within the meaning of (3) (a) above shall mean such compensation as has been awarded in legal proceedings or would have been awarded had such legal proceedings been pursued, after taking into account any defences thereto that were or might have been found proven. 30

 - (i) under a scheme which is comparable to the compensation scheme, or
 - (ii) as the result of a guarantee given by a government or other authority,
 - (iii) as the result of a total or partial indemnity given by an insurer under an employer's liability insurance policy,
