BE IT ENACTED by the Queen’s most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART 1

CORONERS ETC

CHAPTER 1

INVESTIGATIONS INTO DEATHS

Duty to investigate

5

1 Duty to investigate certain deaths

- (1) A senior coroner who is made aware that the body of a deceased person is within that coroner’s area must as soon as practicable conduct an investigation into the person’s death if subsection (2) applies.
- (2) This subsection applies if the coroner has reason to suspect that—
 - (a) the deceased died a violent or unnatural death,
 - (b) the cause of death is unknown, or

10

- (c) the deceased died while in custody or otherwise in state detention.
- (3) Subsection (1) is subject to sections 2 to 4.
- (4) A senior coroner who has reason to believe that—
- (a) a death has occurred in or near the coroner’s area,
 - (b) the circumstances of the death are such that there should be an investigation into it, and
 - (c) the duty to conduct an investigation into the death under subsection (1) does not arise because of the destruction, loss or absence of the body,
- may report the matter to the Chief Coroner. 5
- (5) On receiving a report under subsection (4) the Chief Coroner may direct a senior coroner (who does not have to be the one who made the report) to conduct an investigation into the death. 10
- (6) The coroner to whom a direction is given under subsection (5) must conduct an investigation into the death as soon as practicable. 15
This is subject to section 3.
- (7) A senior coroner may make whatever enquiries seem necessary in order to decide—
- (a) whether the duty under subsection (1) arises;
 - (b) whether the power under subsection (4) arises.
- (8) This Chapter is subject to Schedule 8. 20

Investigation by other coroner

2 Request for other coroner to conduct investigation

- (1) A senior coroner (coroner A) who is under a duty under section 1(1) to conduct an investigation into a person’s death may request a senior coroner for another area (coroner B) to conduct the investigation. 25
- (2) If coroner B agrees to conduct the investigation, that coroner (and not coroner A) must conduct the investigation, and must do so as soon as practicable.
- (3) Subsection (2) does not apply if a direction concerning the investigation is given under section 3 before coroner B agrees to conduct the investigation.
- (4) Subsection (2) is subject to—
- (a) any direction concerning the investigation that is given under section 3 after the agreement, and
 - (b) section 4.
- (5) A senior coroner must give to the Chief Coroner notice in writing of any request made by him or her under subsection (1), stating whether or not the other coroner agreed to it. 30
35

3 Direction for other coroner to conduct investigation

- (1) The Chief Coroner may direct a senior coroner (coroner A) to conduct an investigation under this Part into a person’s death even though, apart from the direction, a different senior coroner (coroner B) would be under a duty to conduct it. 40

- (2) Where a direction is given under this section, coroner A (and not coroner B) must conduct the investigation, and must do so as soon as practicable.
- (3) Subsection (2) is subject to –
 - (a) any subsequent direction concerning the investigation that is given under this section, and 5
 - (b) section 4.
- (4) The Chief Coroner must give notice in writing of a direction under this section to coroner B.
- (5) A reference in this section to conducting an investigation, in the case of an investigation that has already begun, is to be read as a reference to continuing to conduct the investigation. 10

Discontinuance of investigation

4 Discontinuance where cause of death revealed by post-mortem examination

- (1) A senior coroner who is responsible for conducting an investigation under this Part into a person's death must discontinue the investigation if – 15
 - (a) an examination under section 15 reveals the cause of death before the coroner has begun holding an inquest into the death, and
 - (b) the coroner thinks that it is not necessary to continue the investigation.
- (2) Subsection (1) does not apply if the coroner has reason to suspect that the deceased – 20
 - (a) died a violent or unnatural death, or
 - (b) died while in custody or otherwise in state detention.
- (3) Where a senior coroner discontinues an investigation into a death under this section –
 - (a) the coroner may not hold an inquest into the death; 25
 - (b) no determination or finding under section 10(1) may be made in respect of the death.

This subsection does not prevent a fresh investigation under this Part from being conducted into the death.
- (4) A senior coroner who discontinues an investigation into a death under this section must, if requested to do so in writing by an interested person, give to that person as soon as practicable a written explanation as to why the investigation was discontinued. 30

Purpose of investigation

5 Matters to be ascertained

- (1) The purpose of an investigation under this Part into a person's death is to ascertain – 35
 - (a) who the deceased was;
 - (b) how, when and where the deceased came by his or her death;
 - (c) the particulars (if any) required by the 1953 Act to be registered concerning the death. 40

- (2) Where necessary in order to avoid a breach of any Convention rights (within the meaning of the Human Rights Act 1998 (c. 42)), the purpose mentioned in subsection (1)(b) is to be read as including the purpose of ascertaining in what circumstances the deceased came by his or her death.
- (3) Neither the senior coroner conducting an investigation under this Part into a person's death nor the jury (if there is one) may express any opinion on any matter other than—
- (a) the questions mentioned in subsection (1)(a) and (b) (read with subsection (2) where applicable);
 - (b) the particulars mentioned in subsection (1)(c).
- This is subject to paragraph 6 of Schedule 4.

Inquests

6 Duty to hold inquest

A senior coroner who conducts an investigation under this Part into a person's death must (as part of the investigation) hold an inquest into the death. This is subject to section 4(3)(a). 15

7 Whether jury required

- (1) An inquest into a death must be held without a jury unless subsection (2) or (3) applies. Those subsections have effect subject to section 11(6). 20
- (2) An inquest into a death must be held with a jury if the senior coroner has reason to suspect—
- (a) that the deceased died while in custody or otherwise in state detention, and that either—
 - (i) the death was a violent or unnatural one, or
 - (ii) the cause of death is unknown,
 - (b) that the death resulted from an act or omission of—
 - (i) a police officer, or
 - (ii) a member of a service police force,
 in the purported execution of the officer's or member's duty as such,
 - (c) that the death was caused by a notifiable accident, poisoning or disease.
- (3) An inquest into a death may be held with a jury if the senior coroner thinks that there is sufficient reason for doing so. 30
- (4) For the purposes of subsection (2)(c) an accident, poisoning or disease is "notifiable" if notice of it is required under any Act to be given—
- (a) to a government department,
 - (b) to an inspector or other officer of a government department, or
 - (c) to an inspector appointed under section 19 of the Health and Safety at Work etc. Act 1974 (c. 37).
- 35

8 Assembling a jury

- (1) The jury at an inquest (where there is a jury) is to consist of six, seven, eight or nine persons. 40

- (2) For the purpose of summoning a jury, a senior coroner may summon persons (whether within or without the coroner area for which that coroner is appointed) to attend at the time and place stated in the summons.
- (3) Once assembled, the members of a jury are to be sworn by or before the coroner to inquire into the death of the deceased and to give a true determination according to the evidence. 5
- (4) Only a person who is qualified to serve as a juror in the Crown Court, the High Court and the county courts, under section 1 of the Juries Act 1974 (c. 23), is qualified to serve as a juror at an inquest.
- (5) The senior coroner may put to a person summoned under this section any questions that appear necessary to establish whether or not the person is qualified to serve as a juror at an inquest. 10

9 Determinations and findings by jury

- (1) Subject to subsection (2), a determination or finding that a jury is required to make under section 10(1) must be unanimous. 15
- (2) A determination or finding need not be unanimous if –
 - (a) at least six of the jury agree on it, or at least five if the jury consists of six, seven or eight persons, and
 - (b) the jury has deliberated for a period of time that the senior coroner thinks reasonable in view of the nature and complexity of the case. 20Before accepting a determination or finding not agreed on by all the members of the jury, the coroner must require one of them to announce publicly how many agreed and how many did not.
- (3) If the members of the jury, or the number of members required by subsection (2)(a), do not agree on a determination or finding, the coroner may discharge the jury and another one may be summoned in its place. 25

Outcome of investigation

10 Determinations and findings to be made

- (1) After hearing the evidence at an inquest into a death, the senior coroner (if there is no jury) or the jury (if there is one) must – 30
 - (a) make a determination as to the questions mentioned in section 5(1)(a) and (b) (read with section 5(2) where applicable), and
 - (b) if particulars are required by the 1953 Act to be registered concerning the death, make a finding as to those particulars.
- (2) A determination under subsection (1)(a) may not be framed in such a way as to appear to determine any question of – 35
 - (a) criminal liability on the part of a named person, or
 - (b) civil liability.
- (3) In subsection (2) “criminal liability” includes liability in respect of a service offence. 40

Certification by Secretary of State in interests of national security etc

11 Certified investigations: investigation by judge, inquest without jury

- (1) The Secretary of State may certify an investigation under this Part into a person's death if of the opinion that—
- (a) the investigation will concern or involve a matter that should not be made public for any of the reasons set out in subsection (2), and 5
 - (b) no other measures would be adequate to prevent the matter being made public.
- (2) The reasons are—
- (a) in order to protect the interests of— 10
 - (i) national security,
 - (ii) the relationship between the United Kingdom and another country, or
 - (iii) preventing or detecting crime;
 - (b) in order to protect the safety of a witness or other person; 15
 - (c) otherwise in order to prevent real harm to the public interest.
- (3) Where a certification under this section has effect—
- (a) the investigation in question must be conducted by a judge of the High Court nominated by the Lord Chief Justice;
 - (b) that judge has the same functions in relation to the body and the investigation as would be the case if he or she were the senior coroner in whose area the body was situated; 20
 - (c) no senior coroner, area coroner or assistant coroner has any functions in relation to the body or the investigation.
- Accordingly a reference in a statutory provision (whenever made) to a coroner is to be read, where appropriate, as including a judge conducting an investigation by virtue of this section. 25
- (4) The Secretary of State must as soon as possible notify whatever interested persons he or she thinks appropriate of a certification under this section.
- (5) A certification under this section does not have effect— 30
- (a) until the end of the period of 14 days beginning with the date of the certification, or
 - (b) if proceedings for judicial review of the certification are brought within that period, until the conclusion of those proceedings.
- (6) Where a certification under this section has effect, any inquest held as part of the investigation in question must be held or, if it has already begun, continued without a jury (so that a jury must not be summoned and, if a jury has already been summoned, it must be discharged). 35
- (7) Where a decision made by a judge conducting an investigation by virtue of this section gives rise to an appeal under section 30, that section has effect as if references in it to the Chief Coroner were references to a judge of the Court of Appeal nominated by the Lord Chief Justice. 40
- (8) A reference in this section or section 12 to conducting an investigation, in the case of an investigation that has already begun, is to be read as a reference to continuing to conduct it. 45

12 Discontinuance of certification

- (1) A certification under section 11 has effect in relation to an investigation until it is discontinued by the Secretary of State.
The following provisions have effect where a certification is discontinued.
- (2) After consulting the Chief Coroner, the Lord Chief Justice may (but need not) make a direction terminating a nomination under section 11(3)(a). 5
- (3) Where the Lord Chief Justice makes a direction under subsection (2), the Chief Coroner must –
- (a) direct the senior coroner who (but for section 11(3)) would be under a duty to conduct the investigation to conduct it, or 10
 - (b) exercise the power under section 3 or paragraph 1 or 2(2)(b) of Schedule 8.
- (4) In relation to any inquest held as part of the investigation, the person conducting the investigation –
- (a) must summon a jury in a case falling within section 7(2), and 15
 - (b) may do so in a case falling within section 7(3), even if the inquest has already begun.

13 Intercept evidence

- (1) Section 18 of the Regulation of Investigatory Powers Act 2000 (c. 23) (exclusion of matters from legal proceedings: exceptions) is amended as follows. 20
- (2) In subsection (7), after paragraph (c) insert –
- “(d) a disclosure –
 - (i) to a judge of the High Court conducting an investigation into a person’s death which has been certified by the Secretary of State under section 11 of the Coroners and Justice Act 2009, or 25
 - (ii) to a person appointed as counsel to an inquest held as part of an investigation so certified,

where the judge has ordered the disclosure to be made to the judge alone or (as the case may be) to the judge and the person appointed as counsel to the inquest; or 30

 - (e) a disclosure to a coroner or to a person appointed as counsel to an inquest where –
 - (i) the Secretary of State has certified the inquest under section 18A of the Coroners Act (Northern Ireland) 1959, and 35
 - (ii) the coroner has ordered the disclosure to be made to the coroner alone or (as the case may be) to the coroner and the person appointed as counsel to the inquest.”
- (3) After subsection (8A) insert – 40
- “(8B) A judge of the High Court shall not order a disclosure under subsection (7)(d) except where the judge is satisfied that the exceptional circumstances of the case make the disclosure essential to enable the matters that are required to be ascertained by the investigation to be ascertained. 45

- (8C) A coroner shall not order a disclosure under subsection (7)(e) except where the coroner is satisfied that the exceptional circumstances of the case make the disclosure essential to enable the matters that are required to be ascertained by the inquest to be ascertained.”

Suspension

5

14 Duty or power to suspend or resume investigations

Schedule 1 makes provision about suspension and resumption of investigations.

Ancillary powers of coroners in relation to deaths

15 Post-mortem examinations

10

- (1) A senior coroner may request a suitable practitioner to make a post-mortem examination of a body if –

- (a) the coroner is responsible for conducting an investigation under this Part into the death of the person in question, or
 (b) a post-mortem examination is necessary to enable the coroner to decide whether the death is one into which the coroner has a duty under section 1(1) to conduct an investigation.

15

- (2) A request under subsection (1) may specify the kind of examination to be made.

- (3) For the purposes of subsection (1) a person is a suitable practitioner if he or she –

20

- (a) is a registered medical practitioner, or
 (b) in a case where a particular kind of examination is requested, a practitioner of a description designated by the Chief Coroner as suitable to make examinations of that kind.

25

- (4) Where a person informs the senior coroner that, in the informant’s opinion, death was caused wholly or partly by the improper or negligent treatment of a registered medical practitioner or other person, that practitioner or other person –

- (a) must not make, or assist at, an examination under this section of the body, but
 (b) is entitled to be represented at such an examination.

30

This subsection has no effect as regards a post-mortem examination already made.

- (5) A person who makes a post-mortem examination under this section must as soon as practicable report the result of the examination to the senior coroner in whatever form the coroner requires.

35

16 Power to remove body

- (1) A senior coroner who –

- (a) is responsible for conducting an investigation under this Part into a person’s death, or

40

- (b) needs to request a post-mortem examination under section 15 in order to decide whether the death is one into which the coroner has a duty under section 1(1) to conduct an investigation, may order the body to be removed to any suitable place.
- (2) That place may be within the coroner’s area or elsewhere. 5
- (3) The senior coroner may not order the removal of a body under this section to a place provided by a person who has not consented to its being removed there.
This does not apply to a place within the coroner’s area that is provided by a district council, a county council, a county borough council, a London borough council or the Common Council. 10

<i>Partial defence to murder: diminished responsibility</i>	
39 Persons suffering from diminished responsibility (England and Wales)	35
(1) In section 2 of the Homicide Act 1957 (c. 11) (persons suffering from	

- diminished responsibility), for subsection (1) substitute –
- “(1) A person (“D”) who kills or is a party to the killing of another is not to be convicted of murder if D was suffering from an abnormality of mental functioning which –
- (a) arose from a recognised medical condition, 5
 - (b) substantially impaired D’s ability to do one or more of the things mentioned in subsection (1A), and
 - (c) provides an explanation for D’s acts and omissions in doing or being a party to the killing.
- (1A) Those things are – 10
- (a) to understand the nature of D’s conduct;
 - (b) to form a rational judgment;
 - (c) to exercise self-control.
- (1B) For the purposes of subsection (1)(c), an abnormality of mental functioning provides an explanation for D’s conduct if it causes, or is a significant contributory factor in causing, D to carry out that conduct.” 15
- (2) In section 6 of the Criminal Procedure (Insanity) Act 1964 (c. 84) (evidence by prosecution of insanity or diminished responsibility), in paragraph (b) for “mind” substitute “mental functioning”.
- 40 Persons suffering from diminished responsibility (Northern Ireland) 20**
- (1) Section 5 of the Criminal Justice Act (Northern Ireland) 1966 (c. 20) (effect, in cases of homicide, of impaired mental responsibility) is amended as follows.
- (2) For subsection (1) substitute –
- “(1) A person (“D”) who kills or is a party to the killing of another is not to be convicted of murder if D was suffering from an abnormality of mental functioning which – 25
- (a) arose from a recognised mental condition,
 - (b) substantially impaired D’s ability to do one or more of the things mentioned in subsection (1A), and
 - (c) provides an explanation for D’s acts and omissions in doing or being a party to the killing. 30
- (1A) Those things are –
- (a) to understand the nature of D’s conduct;
 - (b) to form a rational judgment;
 - (c) to exercise self-control. 35
- (1B) For the purposes of subsection (1)(c), an abnormality of mental functioning provides an explanation for D’s conduct if it causes, or is a significant contributory factor in causing, D to carry out that conduct.
- (1C) Where, but for this section, D would be liable, whether as principal or as accessory, to be convicted of murder, D is liable instead to be convicted of manslaughter.” 40
- (3) In subsection (2), for “subsection (1)” substitute “subsection (1C)”.
- (4) In subsections (4) and (5), for “mental abnormality” substitute “abnormality of mental functioning”.

Partial defence to murder: loss of control

41 Partial defence to murder: loss of control

- (1) Where a person (“D”) kills or is a party to the killing of another (“V”), D is not to be convicted of murder if –
 - (a) D’s acts and omissions in doing or being a party to the killing resulted from D’s loss of self-control, 5
 - (b) the loss of self-control had a qualifying trigger, and
 - (c) a person of D’s sex and age, with a normal degree of tolerance and self-restraint and in the circumstances of D, might have reacted in the same or in a similar way to D. 10
- (2) For the purposes of subsection (1)(a), it does not matter whether or not the loss of control was sudden.
- (3) In subsection (1)(c) the reference to “the circumstances of D” is a reference to all of D’s circumstances other than those whose only relevance to D’s conduct is that they bear on D’s general capacity for tolerance or self-restraint. 15
- (4) Subsection (1) does not apply if, in doing or being a party to the killing, D acted in a considered desire for revenge.
- (5) On a charge of murder, if sufficient evidence is adduced to raise an issue with respect to the defence under subsection (1), the jury must assume that the defence is satisfied unless the prosecution proves beyond reasonable doubt that it is not. 20
- (6) For the purposes of subsection (5), sufficient evidence is adduced to raise an issue with respect to the defence if evidence is adduced on which, in the opinion of the trial judge, a jury, properly directed, could reasonably conclude that the defence might apply. 25
- (7) A person who, but for this section, would be liable to be convicted of murder is liable instead to be convicted of manslaughter.
- (8) The fact that one party to a killing is by virtue of this section not liable to be convicted of murder does not affect the question whether the killing amounted to murder in the case of any other party to it. 30

42 Meaning of “qualifying trigger”

- (1) This section applies for the purposes of section 41.
- (2) A loss of self-control had a qualifying trigger if subsection (3), (4) or (5) applies.
- (3) This subsection applies if D’s loss of self-control was attributable to D’s fear of serious violence from V against D or another identified person. 35
- (4) This subsection applies if D’s loss of self-control was attributable to a thing or things done or said (or both) which –
 - (a) constituted circumstances of an extremely grave character, and
 - (b) caused D to have a justifiable sense of being seriously wronged.
- (5) This subsection applies if D’s loss of self-control was attributable to a combination of the matters mentioned in subsections (3) and (4). 40
- (6) In determining whether a loss of self-control had a qualifying trigger –

-
- (a) D’s fear of serious violence is to be disregarded to the extent that it was caused by a thing which D incited to be done or said for the purpose of providing an excuse to use violence;
- (b) a sense of being seriously wronged by a thing done or said is not justifiable if D incited the thing to be done or said for the purpose of providing an excuse to use violence; 5
- (c) the fact that a thing done or said constituted sexual infidelity is to be disregarded.
- (7) In this section references to “D” and “V” are to be construed in accordance with section 41. 10

- (a) for “notwithstanding that” substitute “if”, and
- (b) after “murder” insert “or manslaughter”. 25
- (3) In subsection (2) –
- (a) for “notwithstanding that” substitute “if”, and

- “(1) A person (“D”) commits an offence if—
- (a) D does an act capable of encouraging or assisting the suicide or attempted suicide of another person, and
- (b) D’s act was intended to encourage or assist suicide or an attempt at suicide. 10

- (4) After that section insert—
- “2A Acts capable of encouraging or assisting**
- (1) If D arranges for a person (“D2”) to do an act that is capable of encouraging or assisting the suicide or attempted suicide of another person and D2 does that act, D is also to be treated for the purposes of this Act as having done it. 25
- (2) Where the facts are such that an act is not capable of encouraging or assisting suicide or attempted suicide, for the purposes of this Act it is to be treated as so capable if the act would have been so capable had the facts been as D believed them to be at the time of the act or had subsequent events happened in the manner D believed they would happen (or both). 30
- (3) A reference in this Act to a person (“P”) doing an act that is capable of encouraging the suicide or attempted suicide of another person includes a reference to P doing so by threatening another person or otherwise putting pressure on another person to commit or attempt suicide. 35

CHAPTER 2

IMAGES OF CHILDREN

Prohibited images

5

49 Possession of prohibited images of children

- (1) It is an offence for a person to be in possession of a prohibited image of a child.
- (2) A prohibited image is an image which –
 - (a) is pornographic,
 - (b) falls within subsection (6), and
 - (c) is grossly offensive, disgusting or otherwise of an obscene character.
- (3) An image is “pornographic” if it is of such a nature that it must reasonably be assumed to have been produced solely or principally for the purpose of sexual arousal.
- (4) Where (as found in the person’s possession) an image forms part of a series of images, the question whether the image is of such a nature as is mentioned in subsection (3) is to be determined by reference to –
 - (a) the image itself, and
 - (b) (if the series of images is such as to be capable of providing a context for the image) the context in which it occurs in the series of images.
- (5) So, for example, where –
 - (a) an image forms an integral part of a narrative constituted by a series of images, and
 - (b) having regard to those images as a whole, they are not of such a nature that they must reasonably be assumed to have been produced solely or principally for the purpose of sexual arousal,the image may, by virtue of being part of that narrative, be found not to be pornographic, even though it might have been found to be pornographic if taken by itself.
- (6) An image falls within this subsection if it –
 - (a) is an image which focuses solely or principally on a child’s genitals or anal region, or
 - (b) portrays any of the acts mentioned in subsection (7).
- (7) Those acts are –
 - (a) the performance by a person of an act of intercourse or oral sex with or in the presence of a child;

- (a) it is contained in a recording of an extract from a classified work, and
 - (b) it is of such a nature that it must reasonably be assumed to have been extracted (whether with or without other images) solely or principally for the purpose of sexual arousal. 20
- (4) Where an extracted image is one of a series of images contained in the recording, the question whether the image is of such a nature as is mentioned in subsection (3)(b) is to be determined by reference to –
- (a) the image itself, and
 - (b) (if the series of images is such as to be capable of providing a context for the image) the context in which it occurs in the series of images;
- and section 49(5) applies in connection with determining that question as it applies in connection with determining whether an image is pornographic. 25
- (5) In determining for the purposes of this section whether a recording is a recording of the whole or part of a classified work, any alteration attributable to –
- (a) a defect caused for technical reasons or by inadvertence on the part of any person, or
 - (b) the inclusion in the recording of any extraneous material (such as advertisements), 30
- is to be disregarded. 35
- (6) Nothing in this section is to be taken as affecting any duty of a designated authority to have regard to section 49 (along with other enactments creating criminal offences) in determining whether a video work is suitable for a classification certificate to be issued in respect of it. 40
- (7) In this section –
- “classified work” means (subject to subsection (8)) a video work in respect of which a classification certificate has been issued by a designated authority (whether before or after the commencement of this section);

CHAPTER 2

ANONYMITY OF WITNESSES

Witness anonymity orders

- 70 Witness anonymity orders** 30
- (1) In this Chapter a “witness anonymity order” is an order made by a court that requires such specified measures to be taken in relation to a witness in criminal proceedings as the court considers appropriate to ensure that the identity of the witness is not disclosed in or in connection with the proceedings.
- (2) The kinds of measures that may be required to be taken in relation to a witness include measures for securing one or more of the following – 35
- (a) that the witness’s name and other identifying details may be –
- (i) withheld;
- (ii) removed from materials disclosed to any party to the proceedings; 40
- (b) that the witness may use a pseudonym;

- (c) that the witness is not asked questions of any specified description that might lead to the identification of the witness;
 - (d) that the witness is screened to any specified extent;
 - (e) that the witness’s voice is subjected to modulation to any specified extent. 5
- (3) Subsection (2) does not affect the generality of subsection (1).
- (4) Nothing in this section authorises the court to require –
 - (a) the witness to be screened to such an extent that the witness cannot be seen by –
 - (i) the judge or other members of the court (if any), or 10
 - (ii) the jury (if there is one);
 - (b) the witness’s voice to be modulated to such an extent that the witness’s natural voice cannot be heard by any persons within paragraph (a)(i) or (ii).
- (5) In this section “specified” means specified in the witness anonymity order concerned. 15

71 Applications

- (1) An application for a witness anonymity order to be made in relation to a witness in criminal proceedings may be made to the court by the prosecutor or the defendant. 20
- (2) Where an application is made by the prosecutor, the prosecutor –
 - (a) must (unless the court directs otherwise) inform the court of the identity of the witness, but
 - (b) is not required to disclose in connection with the application –
 - (i) the identity of the witness, or 25
 - (ii) any information that might enable the witness to be identified, to any other party to the proceedings or his or her legal representatives.
- (3) Where an application is made by the defendant, the defendant –
 - (a) must inform the court and the prosecutor of the identity of the witness, but 30
 - (b) (if there is more than one defendant) is not required to disclose in connection with the application –
 - (i) the identity of the witness, or
 - (ii) any information that might enable the witness to be identified, 35to any other defendant or his or her legal representatives.
- (4) Accordingly, where the prosecutor or the defendant proposes to make an application under this section in respect of a witness, any relevant material which is disclosed by or on behalf of that party before the determination of the application may be disclosed in such a way as to prevent –
 - (a) the identity of the witness, or 40
 - (b) any information that might enable the witness to be identified, from being disclosed except as required by subsection (2)(a) or (3)(a).
- (5) “Relevant material” means any document or other material which falls to be disclosed, or is sought to be relied on, by or on behalf of the party concerned in connection with the proceedings or proceedings preliminary to them. 45

- (6) The court must give every party to the proceedings the opportunity to be heard on an application under this section.
- (7) But subsection (6) does not prevent the court from hearing one or more parties in the absence of a defendant and his or her legal representatives, if it appears to the court to be appropriate to do so in the circumstances of the case. 5
- (8) Nothing in this section is to be taken as restricting any power to make rules of court.

72 Conditions for making order

- (1) This section applies where an application is made for a witness anonymity order to be made in relation to a witness in criminal proceedings. 10
- (2) The court may make such an order only if it is satisfied that Conditions A to C below are met.
- (3) Condition A is that the proposed order is necessary –
- (a) in order to protect the safety of the witness or another person or to prevent any serious damage to property, or 15
 - (b) in order to prevent real harm to the public interest (whether affecting the carrying on of any activities in the public interest or the safety of a person involved in carrying on such activities, or otherwise).
- (4) Condition B is that, having regard to all the circumstances, the effect of the proposed order would be consistent with the defendant receiving a fair trial. 20
- (5) Condition C is that the importance of the witness’s testimony is such that in the interests of justice the witness ought to testify and –
- (a) the witness would not testify if the proposed order were not made, or
 - (b) there would be real harm to the public interest if the witness were to testify without the proposed order being made. 25
- (6) In determining whether the proposed order is necessary for the purpose mentioned in subsection (3)(a), the court must have regard (in particular) to any reasonable fear on the part of the witness –
- (a) that the witness or another person would suffer death or injury, or
 - (b) that there would be serious damage to property, 30
- if the witness were to be identified.

73 Relevant considerations

- (1) When deciding whether Conditions A to C in section 72 are met in the case of an application for a witness anonymity order, the court must have regard to –
- (a) the considerations mentioned in subsection (2) below, and 35
 - (b) such other matters as the court considers relevant.
- (2) The considerations are –
- (a) the general right of a defendant in criminal proceedings to know the identity of a witness in the proceedings;
 - (b) the extent to which the credibility of the witness concerned would be a relevant factor when the weight of his or her evidence comes to be assessed; 40

- (c) whether evidence given by the witness might be the sole or decisive evidence implicating the defendant;
 - (d) whether the witness's evidence could be properly tested (whether on grounds of credibility or otherwise) without his or her identity being disclosed; 5
 - (e) whether there is any reason to believe that the witness –
 - (i) has a tendency to be dishonest, or
 - (ii) has any motive to be dishonest in the circumstances of the case, having regard (in particular) to any previous convictions of the witness and to any relationship between the witness and the defendant or any associates of the defendant; 10
 - (f) whether it would be reasonably practicable to protect the witness by any means other than by making a witness anonymity order specifying the measures that are under consideration by the court.
- 74 Warning to jury** 15
- (1) Subsection (2) applies where, on a trial on indictment with a jury, any evidence has been given by a witness at a time when a witness anonymity order applied to the witness.
 - (2) The judge must give the jury such warning as the judge considers appropriate to ensure that the fact that the order was made in relation to the witness does not prejudice the defendant. 20
- Discharge and variation*
- 75 Discharge or variation of order**
- (1) A court that has made a witness anonymity order in relation to any criminal proceedings may in those proceedings subsequently discharge or vary (or further vary) the order if it appears to the court to be appropriate to do so in view of the provisions of sections 72 and 73 that apply to the making of an order. 25
 - (2) The court may do so –
 - (a) on an application made by a party to the proceedings if there has been a material change of circumstances since the relevant time, or 30
 - (b) on its own initiative.
 - (3) The court must give every party to the proceedings the opportunity to be heard –
 - (a) before determining an application made to it under subsection (2); 35
 - (b) before discharging or varying the order on its own initiative.
 - (4) But subsection (3) does not prevent the court hearing one or more of the parties to the proceedings in the absence of a defendant in the proceedings and his or her legal representatives, if it appears to the court to be appropriate to do so in the circumstances of the case. 40
 - (5) “The relevant time” means –
 - (a) the time when the order was made, or
 - (b) if a previous application has been made under subsection (2), the time when the application (or the last application) was made.

76 Discharge or variation after proceedings

- (1) This section applies if—
 - (a) a court has made a witness anonymity order in relation to a witness in criminal proceedings (“the old proceedings”), and
 - (b) the old proceedings have come to an end. 5
- (2) The court that made the order may discharge or vary (or further vary) the order if it appears to the court to be appropriate to do so in view of—
 - (a) the provisions of sections 72 and 73 that apply to the making of a witness anonymity order, and
 - (b) such other matters as the court considers relevant. 10
- (3) The court may do so—
 - (a) on an application made by a party to the old proceedings if there has been a material change of circumstances since the relevant time, or
 - (b) on an application made by the witness if there has been a material change of circumstances since the relevant time. 15
- (4) The court may not determine an application made to it under subsection (3) unless in the case of each of the parties to the old proceedings and the witness—
 - (a) it has given the person the opportunity to be heard, or
 - (b) it is satisfied that it is not reasonably practicable to communicate with the person. 20
- (5) Subsection (4) does not prevent the court hearing one or more of the persons mentioned in that subsection in the absence of a person who was a defendant in the old proceedings and that person’s legal representatives, if it appears to the court to be appropriate to do so in the circumstances of the case. 25
- (6) “The relevant time” means—
 - (a) the time when the old proceedings came to an end, or
 - (b) if a previous application has been made under subsection (3), the time when the application (or the last application) was made.

77 Discharge or variation by appeal court 30

- (1) This section applies if—
 - (a) a court has made a witness anonymity order in relation to a witness in criminal proceedings (“the trial proceedings”), and
 - (b) a defendant in the trial proceedings has in those proceedings—
 - (i) been convicted,
 - (ii) been found not guilty by reason of insanity, or
 - (iii) been found to be under a disability and to have done the act charged in respect of an offence. 35
- (2) The appeal court may in proceedings on or in connection with an appeal by the defendant from the trial proceedings discharge or vary (or further vary) the order if it appears to the court to be appropriate to do so in view of—
 - (a) the provisions of sections 72 and 73 that apply to the making of a witness anonymity order, and
 - (b) such other matters as the court considers relevant. 40

- (3) The appeal court may not discharge or vary the order unless in the case of each party to the trial proceedings –
 - (a) it has given the person the opportunity to be heard, or
 - (b) it is satisfied that it is not reasonably practicable to communicate with the person. 5
- (4) But subsection (3) does not prevent the appeal court hearing one or more of the parties to the trial proceedings in the absence of a person who was a defendant in the trial proceedings and that person’s legal representatives, if it appears to the court to be appropriate to do so in the circumstances of the case.
- (5) In this section a reference to the doing of an act includes a reference to a failure to act. 10
- (6) “Appeal court” means –
 - (a) the Court of Appeal,
 - (b) the Court of Appeal in Northern Ireland, or
 - (c) the Court Martial Appeal Court. 15

Service courts

78 Special provisions for service courts

- (1) Subsections (2) and (3) apply in relation to a service court consisting of a judge advocate and other members.
- (2) Any decision falling to be made by the court under sections 70 to 76 is to be made by the judge advocate alone. 20
- (3) If any evidence is given by a witness in criminal proceedings before the court at a time when a witness anonymity order applies to the witness, the judge advocate must give the other members such warning as the judge advocate considers appropriate to ensure that the fact that the order was made in relation to the witness does not prejudice the defendant. 25

Public interest immunity

79 Public interest immunity

Nothing in this Chapter affects the common law rules as to the withholding of information on the grounds of public interest immunity. 30

 - (a) the offender’s culpability in committing the offence;
 - (b) the harm caused, or intended to be caused or which might foreseeably have been caused, by the offence.
- (3) The categories of case described under subsection (2) must, in the opinion of the Council, illustrate (in so far as it is possible to do so by reference only to the factors mentioned in that subsection) the varying degrees of seriousness with which the offence may be committed. 10
- (4) The guidelines must, in relation to each category of case—
 - (a) specify the range of sentences which in the opinion of the Council it may be appropriate for a court to impose on an offender in a case which falls within the category, and 15
 - (b) specify the sentencing starting point in that range.
- (5) The guidelines must—

 - (b) list any other mitigating factors which the Council considers are relevant in mitigation of sentence for the offence, and 25
 - (c) include criteria, and provide guidance, for determining the weight to be given to previous convictions of the offender and such of the other factors within paragraph (a) or (b) as the Council considers to be of particular significance in relation to the offence.

- (8) The sentencing starting point in a range specified under subsection (4)(a) is the sentence which the Council considers to be the appropriate sentence, in a case which falls within the category of case to which the range relates— 45
 - (a) before taking account of the factors listed in the guidelines under subsection (5), and

- (b) assuming the offender has pleaded not guilty.

- (2) The Council may prepare or revise the guidelines without complying with—
- (a) in the case of sentencing guidelines, section 103(5), and 5
- (b) in the case of allocation guidelines, section 105(3).

Duties of the court

- 108 Sentencing guidelines: duty of court** 10
- (1) Every court –
- (a) must, in sentencing an offender, follow any sentencing guidelines which are relevant to the offender’s case, and
 - (b) must, in exercising any other function relating to the sentencing of offenders, follow any sentencing guidelines which are relevant to the exercise of the function, 15
- unless the court is satisfied that it would be contrary to the interests of justice to do so.
- (2) Subsection (3) applies where –
- (a) a court is deciding what sentence to impose on a person (“P”) who is guilty of an offence, and 20
 - (b) sentencing guidelines have been issued in relation to that offence which contain provision by virtue of section 104 (“the offence-specific guidelines”).
- (3) The duty imposed on a court by subsection (1)(a) to follow any sentencing guidelines which are relevant to the offender’s case includes a duty –
- (a) to decide which category of case described in the offence-specific guidelines most resembles P’s case, and

 - (b) sections 73 and 74 of the Serious Organised Crime and Police Act 2005 (c. 15) (assistance by defendants: reduction or review of sentence) and any other rule of law by virtue of which an offender may receive a discounted sentence in consequence of assistance given (or offered to be given) by the offender to the prosecutor or investigator of an offence, and 40
 - (c) any rule of law as to the totality of sentences.
- (5) The duty imposed by subsection (1) is subject to the following provisions –

 - (h) section 29(4) and (6) of the Violent Crime Reduction Act 2006 (c. 38) (minimum sentences for certain offences involving firearms).
- (6) Nothing in this section or section 109 is to be taken as restricting any power (whether under the Mental Health Act 1983 (c. 20) or otherwise) which enables a court to deal with a mentally disordered offender in the manner it considers to be most appropriate in all the circumstances. 15
- (7) In this section –
- “mentally disordered”, in relation to a person, means suffering from a mental disorder within the meaning of the Mental Health Act 1983;

- (4) In this section references to the notional determinate term are to the determinate sentence that would have been passed in the case if the need to protect the public and the potential danger of the offender had not required the court to impose a life sentence (in circumstances where the sentence is not fixed by law) or, as the case may be, an extended sentence of imprisonment or detention. 5
- (5) In subsection (4) “life sentence” has the same meaning as in Chapter 2 of Part 2 of the Crime (Sentences) Act 1997 (c. 43).
